SPECIALIZATIONS BUSINESS

I am passionate about business and entrepreneurial issues and have significant experience in the corporate world. I have translated leasing agreements, contracts, brochures and much more for companies such as Toyota, Red Bull and BP.

FINANCE

I am a qualified Investment Professional and worked for over 8 years in this sector, for Companies such as Schrodgers, Russell Investment Group and Barclays Global Investors. I worked as a Fund Manager and in Client Service and Sales.

I have translated many documents in the areas of investment and accounting for companies such as Triangle Services, Bureau Veritas and the Colombian Chamber of Commerce.

LEGAL

I have extensive experience with contracts, witness statements and court papers, and have an excellent understanding of legal terminology.

ENGINEERING

I hold a Master's Degree in Engineering from Imperial College, London and have translated a large number of documents in this field for companies such as Inclinator, BP, Pacific Rubiales and NOV.
